BOOK SYNOPSIS

Learn how to implement a real-world approach to project-based learning. Authentic learning experiences are created around genuine, outside audiences and meaningful purposes. They meet the Common Core, engage students in critical thinking and 21st Century learning, teach important skills such as research and collaboration, and improve student learning. This practical guide provides step-by-step instructions to make it easy for teachers to create their own authentic learning experiences. The book is loaded with a variety of examples from different grade levels and content areas. Bonus! Each example incorporates technology and addresses the Common Core State Standards.
