BOOK SYNOPSIS

In this searing and riveting New York Times bestseller, Olympic gold medalist Dominique Moceanu reveals the dark underbelly of Olympic gymnastics, the true price of success...and the shocking secret about her past and her family that she only learned years later. At fourteen years old, Dominique Moceanu was the youngest member of the 1996 US Women's Olympic Gymnastics team, the first and only American women's team to take gold at the Olympics. Her pixyish appearance and ferocious competitive drive quickly earned her the status of media darling. But behind the fame, the flawless floor routines, and the million-dollar smile, her life was a series of challenges and hardships. *Off Balance* vividly delineates each of the dominating characters who contributed to Moceanu's rise to the top, from her stubborn father and long-suffering mother to her mercurial coach, Bela Karolyi. Here, Moceanu finally shares the haunting stories of competition, her years of hiding injuries and pain out of fear of retribution from her coaches, and how she hit rock bottom after a public battle with her parents. But medals, murder plots, drugs, and daring escapes aside (all of which figure into Moceanu's incredible journey), the most unique aspect of her life is the family secret that Moceanu discovers, opening a new and unexpected chapter in her adult life. A mysterious letter from a stranger reveals that she has a second sister—born with a physical disability and given away at birth—who has nonetheless followed in Moceanu's footsteps in an astonishing way. A multilayered memoir that transcends the world of sports, *Off Balance* will touch anyone who has ever dared to dream of a better life.

OFF BALANCE A MEMOIR - Are you looking for Ebook Off Balance A Memoir? You will be glad to know that right now Off Balance A Memoir is available on our online library. With our online resources, you can find Applied Numerical Methods With Matlab Solution Manual 3rd Edition or just about any type of ebooks, for any type of product.

Best of all, they are entirely free to find, use and download, so there is no cost or stress at all. Off Balance A Memoir may not make exciting reading, but Applied Numerical Methods With Matlab Solution Manual 3rd Edition is packed with valuable instructions, information and warnings. We also have many ebooks and user guide is also related with Off Balance A Memoir and many other ebooks. We have made it easy for you to find a PDF Ebooks without any digging. And by having access to our ebooks online or by storing it on your computer, you have convenient answers with Off Balance A Memoir. To get started finding Off Balance A Memoir, you are right to find our website which has a comprehensive collection of manuals listed.
