BOOK SYNOPSIS

Look out for Penelope Lively's new book, *The Purple Swamp Hen and Other Stories*. Man Booker Prize-winning novelist Penelope Lively's latest masterpiece opens with a snapshot: Kath, before her death, at an unknown gathering, holding hands with a man who is not her husband. The photograph is in an envelope marked "DON'T OPEN—DESTROY." But Kath's husband does not heed the warning, embarking on a journey of discovery that reveals a tight web of secrets—within marriages, between sisters, and at the heart of an affair. Kath, with her mesmerizing looks and casual ways, moves like a ghost through the memories of everyone who knew her—and a portrait emerges of a woman whose life cannot be understood without plumbing the emotional depths of the people she touched. Propelled by the author's signature mastery of narrative and psychology, *The Photograph* is Lively at her very best, the dazzling climax to all she has written before. From the Trade Paperback edition.

THE PHOTOGRAPH - Are you looking for Ebook *The Photograph*? You will be glad to know that right now *The Photograph* is available on our online library. With our online resources, you can find *Applied Numerical Methods With Matlab Solution Manual 3rd Edition* or just about any type of ebooks, for any type of product.
